## Sequoits To Play For Championship

Nobody would have guessed it two months ago, but on Friday night the Antioch Sequoits are going over to Fox Lake to play Grant's Bulldogs for the football championship of the Northwest Suburban Conference.

The varsities will line up for the kickoff at 8 o'clock and then Antioch fans will be treated to their most exciting sports event since last winter's basketball games.

Grant comes into the game with a 7-0 record and will be favored to beat Antioch (6-1) by

a touchdown or two.

But Coach Roy Nelson's Sequoits have been in that

underdog role before, and they have surprised the so-called experts at least four or five times this season.

As assistant coach Steve Wapon said as Antioch was leaving the field, joyously triumphant, after beating Lake Zurich 20-14 last Saturday:

"These guys just don't know how to quit!"

Antioch isn't a big team but, wow, is it tough! Lake Zurich's big, strong Bears found that out.

It was Homecoming here Saturday and Antioch smashed its way to an 8-0 halftime lead. Lake Zurich charged back with two third-quarter touchdowns and took a 14-8 lead.

Oh, no! Was Antioch going to blow its successful season?

Not on your life.

The Sequoits thrilled their Homecoming crowd with two last-quarter touchdowns and emerged with a 20-14 victory.

SO, NOW they get their shot at Grant. Some people say you can throw away past performances when the Antioch-Grant game comes up. This is a traditional rivalry. Grant is an outstanding team, but Antioch will be fired up - you can count

## Antioch Woman And Daughter Still 'Critical'

A 30-year-old Antioch woman and her 6-year-old daughter were still in critical condition at St. Therese Hospital in Waukegan Tuesday, following a car-train collision last Saturday morning.

The hospital said that Norie Rosquist, 30, of Rt. 2, Box 263A, Beach Rd., and her daughter, Nina, 6, were still in intensive care. Nurses said that both had multiple injuries and that Mrs. Rosquist had a cervical dislocation.

Her son Edward Jr., 4, also was in the accident. The hospital said he was in satisfactory condition.

Mrs. Rosquist and her husband, Edward, recently took over the operation of Floral Acres, just south of Antioch on Hy. 83. Mr. Rosquist was not along at the time of the accident.

Last Saturday morning, Mrs. Rosquist's car was eastbound on Grass Lake Rd. when it was struck by the front of the engine

of a Soo Line train at the crossing near Hy. 83.

State police said there was an apparent malfunction of the railroad crossing lights and that an investigation was still in progress. Mrs. Rosquist and her children were taken to the hospital by the Antioch Rescue Squad.

ANTIOCH'S HOMECOMING QUEEN, Robin Hunley, played two important roles last weekend. After being selected queen she was the star of Saturday morning's parade (photo at left), but during halftime of the football game she gave her regular performance as majorette for the Sequoit Marching Band.

## Trick or Treat Hours Are Set

Halloween "trick or treat" hours were set for Antioch children by the village board Monday night.

The hours will be from 3 to 9 p.m. on Friday, Oct. 31. One trustee, Arnold W. Weber, voted against it. He said 9 p.m. was too late.

The question of inspection of village restaurants by the Lake County health department came up again.

Trustee J. Irving Walsh called it "a constant hassle. The

inspectors cite the same restaurants for the same violations, time after time."

He referred to such categories as sanitation, storage, wholesomeness, refrigeration, maintenance and garbage."

None of the restaurants were named, but Walsh said he thought "the violators should be sent letters from the village."

Mayor Robert C. Wilton said, "I think the county is very lax in

## Voters Turn Down New Grade School

Only 20 percent of the potential voters turned out last Saturday when the District 34 bond referendum was defeated at the polls.

The \$1,400,000 proposal was rejected with 739 voting "no" and 406 "yes." The total vote was only 1,145.

The grade school district had proposed to build a new elementary school. A "yes" vote would have qualified the district for a state Capital

Development Board grant of \$961,560.

The new elementary building had been planned at an estimated cost of \$1,465,228, with \$458,697 for life safety at Antioch Grade School and \$337,635 at Oakland School. The bond proposal had also included \$100,000 in the event of increased inflation or other unforeseen expenses.

Totals at the three polling places were:

Antioch, 478 no to 259 yes.  
Channel Lake, 123 no to 48 yes.

Oakland, 138 no to 99 yes.  
Supt. Henry Meyer said the board will meet at 7:30 p.m. Thursday to canvas returns and could decide then, whether it will renew efforts to gain a new grant.

### FISCAL STABILITY

The time has come for positive action to cut government spending in Illinois.

The General Assembly must come face-to-face with the issue of overspending by Illinois' governmental agencies at its fall session. Next year will be too late.

The current rates of spending in the State of Illinois will be enough to drive the state into a substantial deficit.

No longer are we talking about small amounts that could be covered by something like a lottery or a new nuisance tax. No, we are now talking about large numbers that can only be covered through a substantial increase in a major state tax.

In fact, if the Governor's cuts in school aid are restored, by the Legislature, the state's red ink at the end of this fiscal year could reach nearly \$300 million.

With the economy struggling to recover, now is no time for a statewide tax increase. Consumers, wage earners and businesses alike would be opposed to such action by the General Assembly.

The only real alternative is to institute strict economy in government, develop spending priorities and do all the state can to shore up the sagging economic climate.

Our state governmental leaders should appoint a Commission on Fiscal Stability to study the current and future financial problems of the state.

We also vitally need this commission's recommendations on the development of cost controls and the elimination of wasteful spending in state government operations.

The time for such action is now. There is no way to cut spending and avoid a tax increase after such spending has already occurred. The route of continuing cash flow emergencies and year-end deficiencies can only lead to jeopardizing the state's AAA credit rating and losing the confidence of the electorate.

This is not the route we should follow.

## Governmental Frankenstein Scares Liberals

By SEN. BARRY GOLDWATER

Even the liberals are becoming alarmed over the size and the extravagance of the federal bureaucracy.

In fact, there is some reason to believe the next Democratic National Convention may attempt to include the concern in its party platform for 1976.

Strange as it seems, a liberal policy adviser who worked in the presidential campaigns of Hubert Humphrey and George McGovern is circulating a paper which he has prepared for the Democratic Issues Convention. It urges the Democrats to consider offering a program of governmental reorganization in the presidential campaign.

THE ADVISER, Ted Van Dyk, comes to grips for the first time with Democrats concerned over the issue of big government. He speculates on the possibility of a Democratic Administration actually pledging "not to increase government, but to improve it."

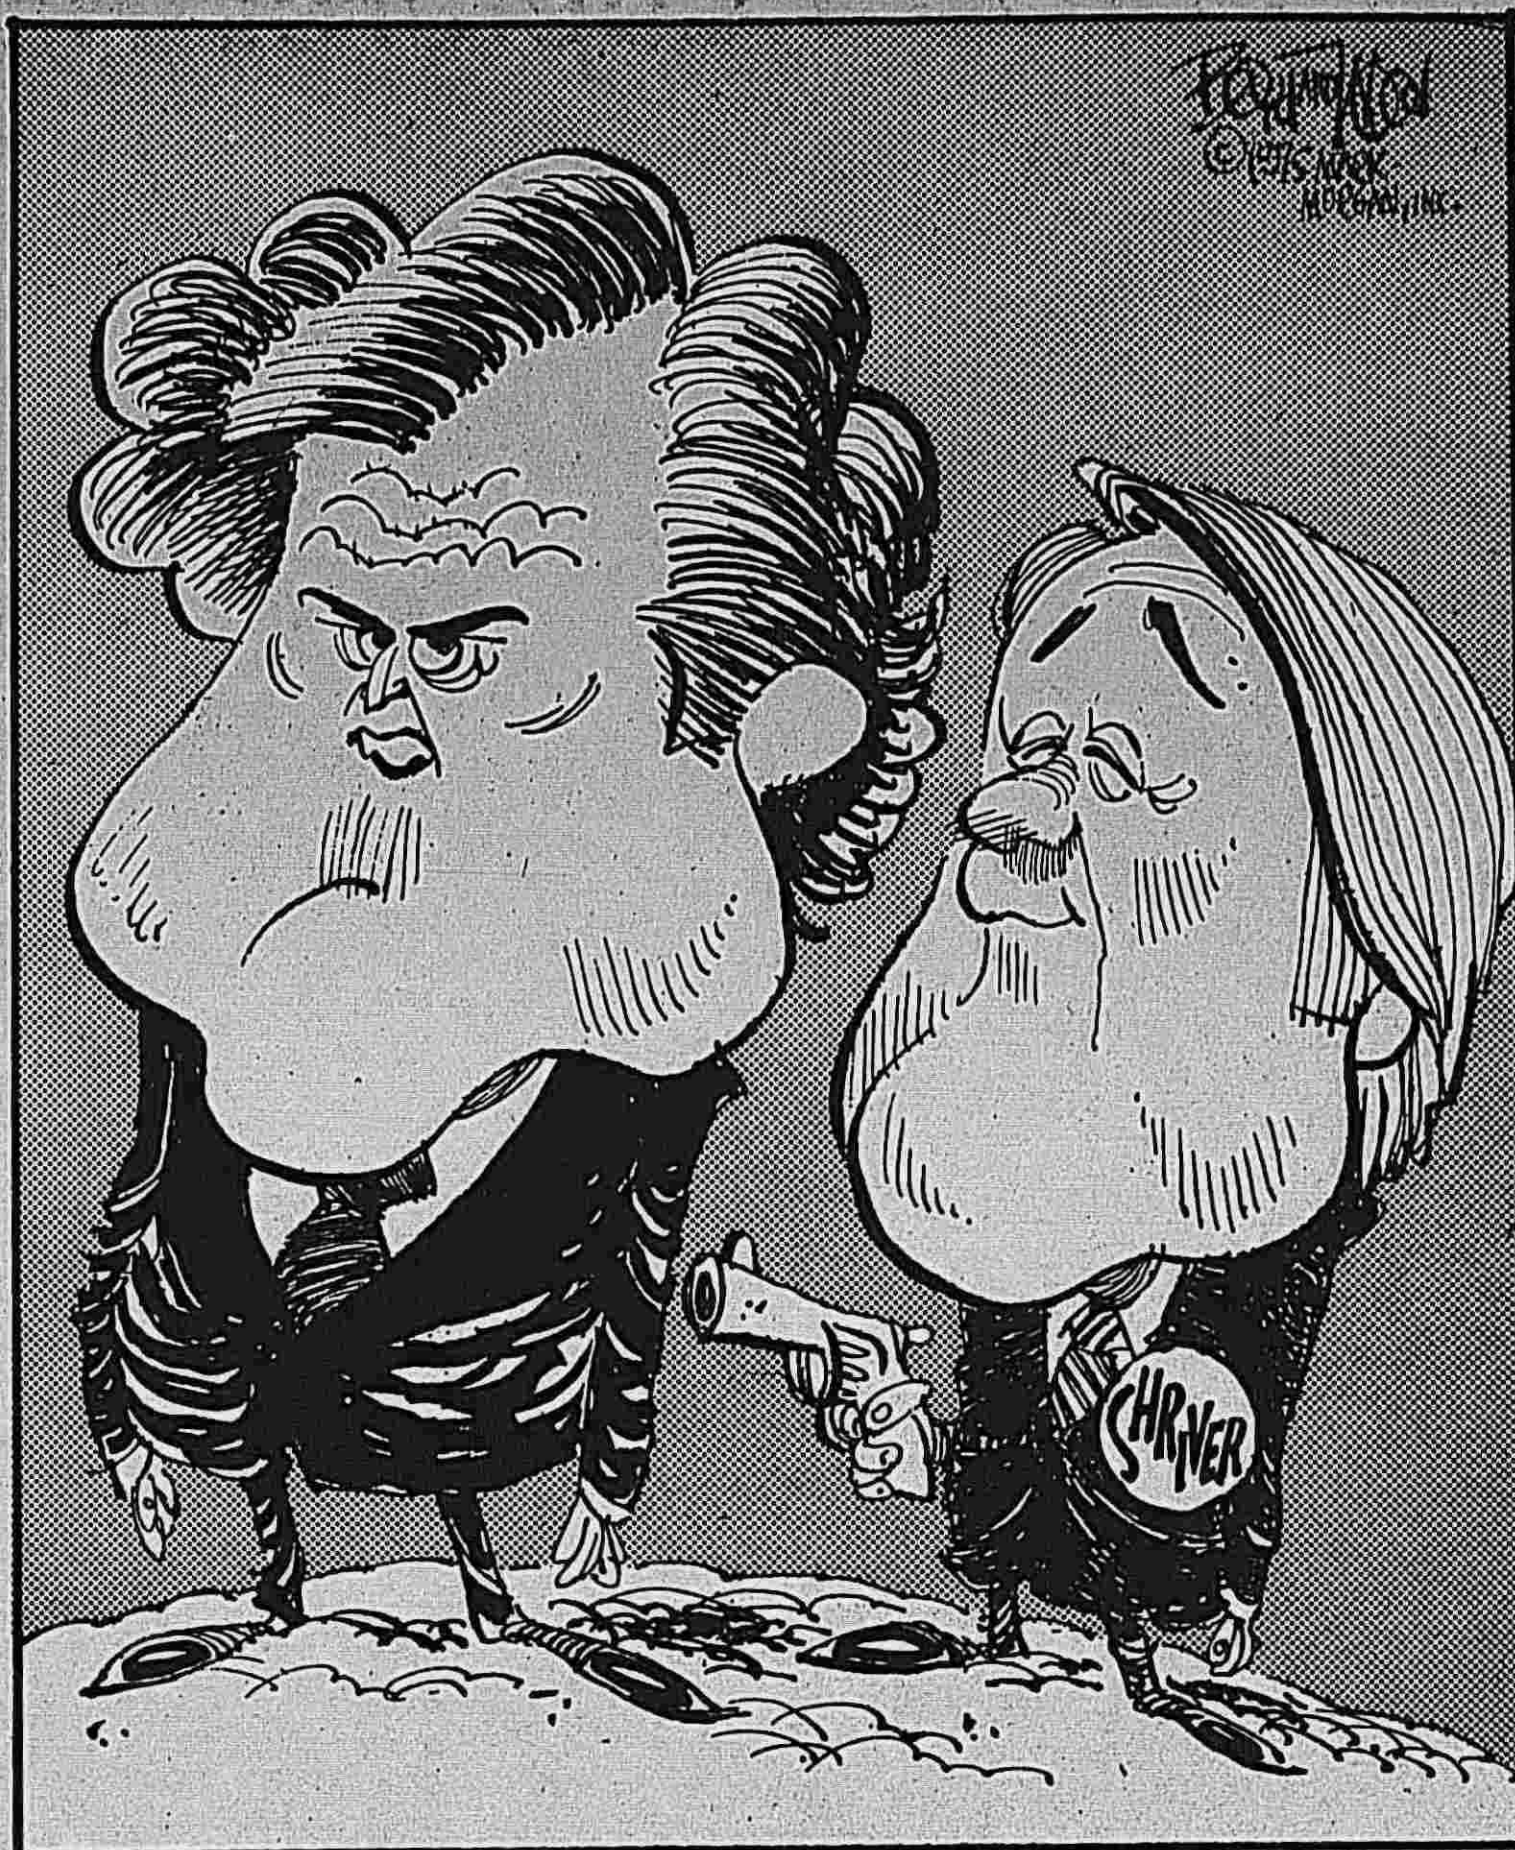

Van Dyk, whose paper was reported in The Washington Post, wrote the following advice

for the Issues Convention which meets in Louisville:

"The first 1,000 days of a new Democratic Presidency could well be used to promulgate a new agenda concentrating on reorganization and management of the whole governmental process. Such an agenda would include a ruthless re-examination of every federally funded and administered agency and program."

In one respect it is comforting to see the liberals fretting over their own handiwork. If it weren't such a grim prospect, it might be amusing to watch the liberals actually try to come to grips with the governmental Frankenstein which is now threatening to devour the whole country.

EVEN IF THE liberals are sincere, I doubt that they could be trusted to put their hearts into the kind of wrecking job the welfare state actually needs. They have too many "pets" among the more extravagant and wasteful programs. And they could never explain such a deficit-reducing program to AFL-CIO President George Meany.

"...So, Because Of Family Considerations, I Am Absolutely Not A Candidate Again."

### The Town Crier

When Emperor Hirohito of Japan and his troupe visited the United States recently, some emcee, somewhere along the way, must have had an awfully hard time refraining from introducing them as:

"Those wonderful folks who brought you Pearl Harbor."

A hearty welcome to Antioch to Thomas J. Kelly, new president and managing officer of the Antioch Savings & Loan Association.

Mr. Kelly comes here from Elk Grove. He is replacing our good friend Fred Walpole, who resigned Sept. 30.

OTTO GRAHAM, the all-time great quarterback who will be inducted into Waukegan's sports "Hall of Fame" was interviewed Sunday on WKRS-radio.

Otto is athletic director and football coach at the Coast Guard Academy in Connecticut but he said, now that the service academies are admitting women, he plans to give up football to coach the girls' wrestling team.

COACH ROY Nelson of

Antioch, an old friend of Otto Graham's, incidentally, employed his dry sense of humor again at last Friday's homecoming bonfire.

He praised the cheerleaders for yelling, "Hold that line! Hold that line!"

"It was a nice cheer," said the coach, "but we had the ball."

AS SOON as we learn the identity of last Friday's three streakers, we'll be happy to publish their names.

We hear they contributed to the seniors' "Spirit Day" excitement at the high school by

making a mad dash into the front door, through the commons and out of a side door.

They apparently were seniors because their posteriors were covered with signs advertising the Class of '76. (Summer of '42 was never like this.)

The three streakers wore masks and we asked, "What kind of masks?"

A young lady looked at us quizzically and said:

"Who was looking at their heads?"

Some scholars say that Shakespeare was the first to use the word "hurry."

# Camera Captures Homecoming Fun

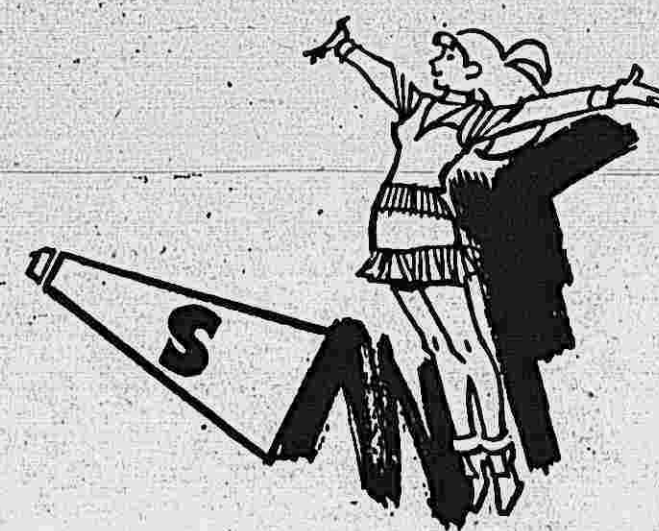

Antioch High's Alumni had one of the interesting floats in last Saturday's Homecoming parade. The message seems to be that kids used to tip over outhouses (right) but now they use the "T.P." tactic (left). At the left are Kathy Haley and Diane (Willie) Kasik and, on the right, that looks like Mary Lou Eckert disguised as "Fonzie."

THE WINNING FLOAT in Antioch's Homecoming parade was created by the sophomores, who had a ghost hovering over the gravestones of the teams the Sequoits have conquered ... including an accurate prediction of the demise of Lake Zurich.

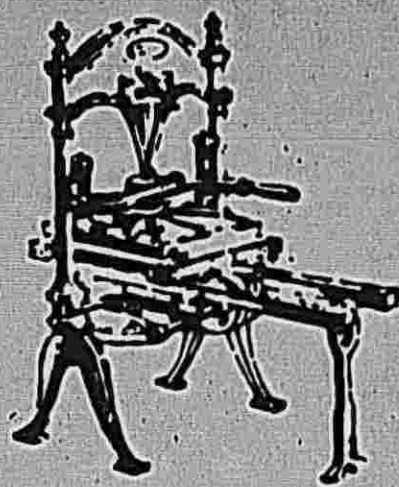

WINS \$50 BOND - Mrs. Louise Gutowski received a \$50 Series E Savings Bond from Glenn Hendrickson, assistant cashier at the State Bank of Antioch, as winner of the ACHS Homecoming Theme contest sponsored annually by the bank. Mrs. Gutowski's winning theme was entitled "Reflections" and the presentation ceremony took place at Friday Night's pep rally and bonfire.

THE LITTLE GUYS who will be the Antioch High School football stars of the future marched in Saturday's Homecoming parade. They are the orange-shirted Antioch Viking football players.

70 YEARS AGO: OCT. 19, 1905

Another effort is underway to prevent the location of the United States naval training station at Lake Bluff. Sen. Russell Alger of Michigan says the waters of Lake Michigan there are very unhealthy from the refuse from the Kenosha tannery and glucose factory in Waukegan.

Dr. H. Kyle, veterinarian, has located in Antioch and rented an office over Gollwitzer's barber shop where he may be found by anyone wishing his services.

60 YEARS AGO: OCT. 21, 1915

Why pay a fancy price for preparation when you can buy the finest floor mop oil at King's Drug Store for 25 cents a pint?

Features at the Crystal Theatre this weekend are Thursday, "Leah the Forsaken;" Friday, "Uncle Tom's Cabin" (the old story that is always new); and Saturday, "Scandal."

10 YEARS AGO: OCT. 21, 1965

Roy Kufalk, postmaster of Antioch for 25 years, has announced his retirement, effective Dec. 1.

Preliminary plans for Sequoit Terrace and Westgate subdivisions have been submitted to the Planning Commission for approval.

Bong Air Base, abandoned in 1959 after about \$40 million had been sunk into it, is being pushed as the site of a college for the southeastern Wisconsin area.

### Women of The Moose

Dorothy Tralewski of the Antioch chapter was among 93 persons receiving their green caps at the convention in Peoria.

Nearly 150 lodges were represented, including 19 members from Antioch. In order for

Dorothy to receive her green cap, the Antioch chapter had to earn the "award of achievement."

At the October chapter night, Dolores Palmer was installed as a new candidate.

### District 34 And Teachers Agree on Pact

A tentative contract agreement has been reached between Antioch Grade School District 34 and its teachers.

Supt. Henry Meyer said the agreement probably will be finalized at 7:30 p.m. Thursday when the board meets at the Upper Grade School.

An unofficial report said the agreement calls for a two-year pact with a 10 percent wage increase the first year and an 8 percent increase the second year.

Non-salary items also were involved in the negotiations, which once reached an impasse, then broke down and were re-started again when the teachers appeared at a board meeting last week.

## Lake Villa Accepts State Offer

The village of Lake Villa has accepted a \$33,800 Illinois Environmental Protection Agency grant offer, which is part of the agency's accelerated sewage system construction grant program.

The grant will enable the village to prepare a preliminary report on its sewer needs.

The total eligible cost of the project is estimated at \$45,000. Based on this figure, Lake Villa will provide 25 percent or \$11,200.

The grant program will make more than \$170 million of state funds available to communities and create about 8,000 new jobs throughout the state in the next two years. The funds are from an Anti-Pollution Bond act passed by Illinois voters in 1970.

## Along the way with ANNIE MAE

The football team's thrilling come-from-behind victory sure made Antioch High's Homecoming a complete success last weekend.

Lots of Antioch fans will be traveling to Fox Lake Friday night for the Sequoia's 8 o'clock championship game with Grant's Bulldogs.

LAST WEEK certainly was a big one for the Hunley family. Robin was selected as Homecoming Queen at the high school while her parents, Josef and Valerie, were starring in and directing the successful PM&L play, "The Man Who Came to Dinner."

The play will be repeated Friday and Saturday nights at 8:30 p.m. Maybe you can still get tickets! Call 395-3055.

Our congratulations to Paul Petty, whose football teammates named him Homecoming King. Nothing more memorable than being singled out for such an honor by all of your friends.

SPIRIT WEEK at the high school was really something last week. The way the seniors decorated the school and drummed up spirit on Friday was probably Antioch's best "Spirit Week" performance in years.

WE HAVE heard of a newspaper that we didn't know existed. It is called "The Menard Time," published by

the convicts in Menard Penitentiary.

They tell us their newspaper represents an institution that has thousands of bars, but serves no liquor.

A LETTER from Renee Desbiens of Lawton, Okla., reminds us that next Tuesday, Oct. 28, is the birthday of her mother, Mrs. Al Desbiens.

"Mom will be celebrating her 39th birthday for the sixth time around," writes Renee. "And I'll let you know that there isn't a better Mother around, especially with four crazy kids like us. A lot of people might remember her as having the coldest feet in front of St.

Peter's when we owned the paper stand for six years. Most importantly, she loves all of us equally, except for her "fabul-

ous Frenchman," my Dad, whom she loves more. Can't blame her.

"I want Mom to know that even though I can't be with her on that special day, she is with me always because I love her so very much."

Thanks for writing, Renee.

WHAT A coincidence .... Gregg Pfarr celebrated his 20th birthday on the 20th, which was Monday. That's what's known as a "Golden Birthday."

And yesterday, the 21st, was the 21st birthday for our columnist Betty Rossen, who is

in her senior year at Purdue. From Lafayette, Ind., Betsy has been writing a series of features on what Antioch was like in years past.

Tomorrow, the 23rd, is "happy birthday time" for Lynne Sterbenz, and Chris Pionke celebrates on Saturday, the 25th.

A FORMER Antioch couple, Bruce and Lenora Price, celebrated their wedding anniversary Oct. 11 in Tucson, Ariz. Elfrieda Mau, from Blue Island, Ill., was in town recently, visiting her friends.

FNB Float 'Spans' 50 Years

THE 50-YEAR HISTORY of the First National Bank of Antioch was shown in its Homecoming parade float titled "Today and Yesterday."

Employees of the bank turned a 24-foot wagon into today's bank and yesterday's. A 40 year-old ledger sat atop an old drawing board where Russell Barnstable, past president of the bank, wrote with his quill pen. Hilma Lightsey, 37-year employee and assistant cashier, transacted business dressed in a bicentennial costume at an old-fashioned teller's cage where Betty Brown, also dressed in bicentennial attire acted as a customer.

LaVerne M. Woods, president, seated at his leather-topped table desk, was meeting with customers Bonnie Litchfield and Brad Ipsen, while Lou Korom, newest bank employee, played the role of new teller, with Curt Harnisch, youngest bank employee, as a customer.

The four-foot revolving gold coin was the main attraction depicting the 50th anniversary of the bank.

With the assistance and support of the community, supplies were gathered and the project begun. The bank wishes to thank Schmidt Implement of Salem, Wis., Frostee-Foam Co., Floral Acres of Antioch, Ipsen's Cleaners, Rittenhouse & Embree, the General Store, Antioch Carpet Sales and Service, V&S True Value Hardware, Mr. and Mrs. James Palm, Mrs. Joyce Woods and the neighbors of L.M. Woods for the part they played in the success of the project.

The committee working on the float included L.M. Woods, president; Bonnie Litchfield and Betty Brown, co-chairmen; Lou Korom, Brad Ipsen, Mary Owen, Rick Koenig, Curt Harnisch, B.J. Mandernack, Diane Young, Mary Jo Schneider, Ellen Ipsen, Cindy Brown and Jeff Young.

### Halloween Highlights

Keeping attention on dinner on Halloween night is a challenge when eager youngsters are anxious to gather candy treats. You can capture interest with tender slices of ham garnished with hot peach halves sporting raisin eyes and clove smiles. Or serve open-face sandwiches transformed into goblin faces with ripe olive slices for eyes and a strip of pimiento for the mouth.

For safe indoor Halloween fun, let the youngsters roast hot dogs in the spooky light of the fireplace. Or provide makings including ready-to-eat sausages (cold cuts) for them to conjure up spooky sandwiches. Faces can be created with slices of hard-cooked eggs, carrot, pickles and onion. These make good munching mates for a variety of cold meats.

## Final Weekend For PM&L Comedy

### PM&L SAYS....

There is still another weekend to catch PM&L side-splitting season opener "The Man Who Came to Dinner," at the PM&L Theatre, 877 Main St., Antioch. Remaining dates are Friday and Saturday and curtain time is 8:30 p.m.

Persons can call 395-3055 for reservations. Seating is limited and some nights may be sold out. Box office prices are \$2.25 for adults and \$1 for students.

"The Man Who Came to Dinner," by Moss Hart and George S. Kaufman, is directed here by Valerie Hunley. A gem of comedy, it is a marvelous way to "lose your troubles and get happy."

A large cast of talented people keep up a pace of constant confusion as Josef Hunley as Sheridan Whiteside, Mary Chris LaKome and Gary Richter lead the action.

Each member of the cast is important to the unfolding of the story. Betty Beveroth, Bob

Lindblad, Wanda Springer, Mike Shapiro, and Dee Baum are the Stanley family whose home and privacy Mr. Whiteside invades. Others running in and out at frequent intervals are Gerri Duncan, George Blanksten, Lyn Zaehler, Ken Smouse, Pat Jamison, Don MacKenzie, Debbie Blanksten, Donatelle, Don Beveroth, Tom Mangelsdorf, Al Bucar, Rich Irmen, Larry Bersie, Todd Seisser, Vern Cubberly, John Denk, Betty Smouse and a boys chorus.

## Golf Team Finishes Strongly

Antioch High's golf squad closed its 1975 season with a strong third-place finish in the Northwest Suburban Conference.

It was Antioch's best finish in 13 years as the Sequoits won their last two conference matches and then placed second in the league tournament at Brae Loch.

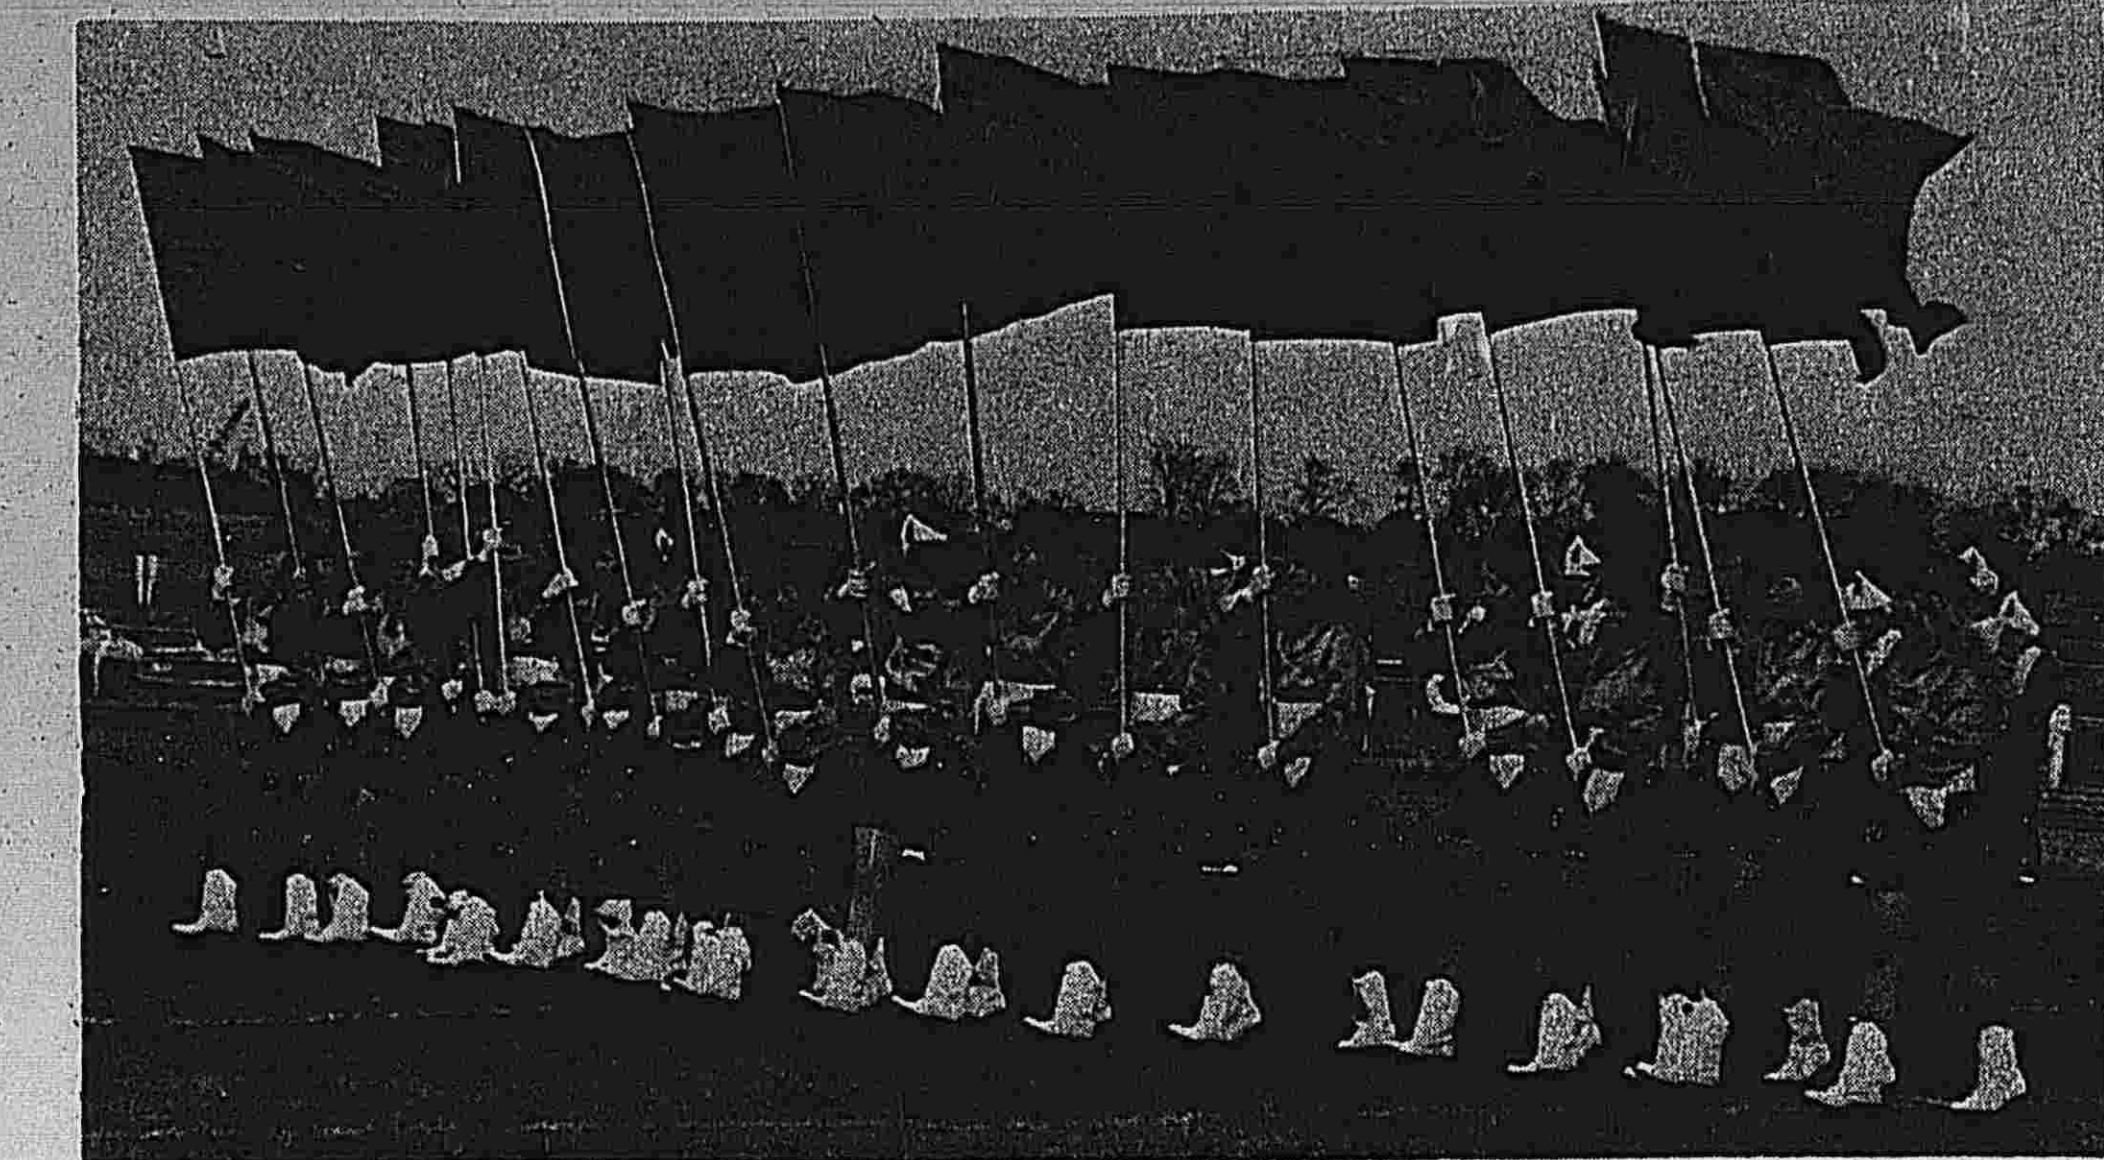

Stevenson and Cary-Grove finished one-two in final standings.

The Sequoits' final victories were by two strokes over Grant and by three strokes against Lake Zurich. Keith Rezin and Pat Houghton shot 41s against Lake Zurich.

Antioch's junior varsity beat Lake Zurich by 29 strokes to finish with a 7-2 record in the conference, good for a first-place tie with Warren and Cary-Grove. John Eder was medalist against Lake Zurich with a 44.

Stevenson won the conference varsity tournament with a 308 total and Antioch was a surprising second with 315. Cary-Grove took 319 strokes for third.

Coach Mark Guthrie said the

ADDING SNAP AND CHARM to halftime demonstrations at Antioch High School football

games is the flag corps, part of the Sequoit Marching Band.

Sequoits entered with one of the youngest squads in the tournament. Sophomore Del Gorski placed Antioch with a 77 and won the sixth place medal. Another soph, Keith Rezin, shot 78 and won the seventh-place medal in a playoff with four others, including teammate Pat Houghton, who also fired a 78 and earned the ninth-place medal.

Other Antioch scores were an 82 by Bob Sertic and an 84 by Chuck Gleason, both freshmen.

"I'm pleased with the progress the team made," Guthrie said, "especially our finish. It proved we can compete with more experienced opponents. Every member of our team displayed the desire to become a better golfer and had the proper attitude to win."

## 6 PREDICT CORRECT SCORE

# Jim Harvey Wins Football Contest

The final score was Antioch 20, Lake Zurich 14.

And no less than six persons predicted in the Antioch News' football contest that the Sequoits would win by six points.

They were Jim Harvey, Mike Witt, Paul Dye, Mike Dye, Tim Vander Meer and John McEvoy. Experts all!

So once again we had to go to the tie-breaker to determine the prize-winners.

As all Chicago Bears fans know, their "heroes" lost by 31 points to the Pittsburgh Steelers.

Jim Harvey predicted the Bears would lose by 28, so he wins first prize, a \$15 savings account at the Antioch Savings & Loan Association.

Mike Witt said the Steelers would win by 25, so he gets the second prize - a \$10 gift certificate at BJ Rush Photo Studio. (Incidentally, Mike knew that Antioch would win by six because his brother, Mitch, plays for the Sequoits and told him in advance exactly what was going to happen.)

Paul Dye said the Steelers would win by 24 and Paul wins third prize, a \$5 gift certificate at BJ's Fashions for Men, or BJ's Closet.

Mike Dye said the Steelers would win by 21, Tim Vander Meer said the point spread would be 16 and John McAvoy said 10.

So, although they forecast Antioch's 6-point victory, they didn't win prizes last week.

But look out for Mike, Tim and John this week. They have an idea of what's going to happen Friday night when Antioch plays Grant in the

conference championship game.

**BE SURE** to enter this week's contest, which appears on page 18. First prize is \$15 in cash.

No reason why you can't win it.

Others who came close last week were four persons who picked Antioch to beat Lake Zurich by seven points: Kathy Stagg, Ronnie Jackson (he always comes close), Melannie Smith (she has won twice in the past), and Tom Dye.

Scott Kimball, Antioch basketball star, picked the Sequoits to beat Lake Zurich by five and the Steelers to beat the Bears by 26. Scott apparently knows something about football, too.

## Motorcycle Stolen

A 1974 Yamaha motorcycle was missing after a burglary last week at 647 N. Main St.

Police said someone broke into a shed at the rear of the property. The shed reportedly is rented by Gaston Printers.

Entry was gained by breaking a window, police said.

## ABC's of Travel

Domestic and International

BARB CORBIN

Travelers' checks abroad -- Is there a best way of taking money on a foreign trip? Yes, traveler's checks for two important reasons! safety and convertibility.

You don't stand any loss if the checks are lost or stolen and you can readily obtain local currency in exchange for traveler's checks at just about any stop on your route from airport, to hotel to small shops.

Traveler's checks must be signed by you in the presence of the person cashing them, and your signature must match the one you wrote at the time you bought the checks. The cost of

the checks is about one percent of the purchase (\$1 for \$100 worth of checks).

Abroad, it's best to cash your traveler's checks at a bank or a branch office of the issuing organization. Banks will stick to the official exchange rate of that day and won't charge you for converting into local currency as they do with U.S. dollars.

Some shops and hotels charge a service fee for cashing checks and some airport counters are known to be competitive with local banks so try to plan ahead and take traveler's checks for one-hundred percent benefit, be sure and cash them at a bank for local currency.

## Pancake Breakfast Is Nov. 16

The First National Bank of Antioch, an annual buyer at the 4-H County Fair Auction, again has agreed to donate the hog it purchased back to 4-H.

The bank is sponsoring a pancake fund-raising breakfast with the profits given to the Lake County 4-H Youth Council.

It will be Sunday, Nov. 16, 8 a.m. to 2 p.m. in the bank's Community Room.

## Navy Experts To Talk Here On Drug Abuse

Drug counselors from Great Lakes Naval Training Center will be the guest speakers next Monday when the Lake Region Chapter on Alcohol and Drug Abuse meets at the State Bank of Antioch, 7:30 p.m.

A navy lieutenant and a specialist on drug abuse will discuss the drug problem and communication on the subject between parents and their children. The public is invited to attend.

The Lake Region Chapter also plans a seminar on Saturday, Nov. 1.

ONE OF THE NEAT projects on display in the Antioch Upper Grade School's Bicentennial Fair was a model of Jamestown, built by 8th grader Tony Kucia. Below, posing by the log cabin the students built, are Ricky Roberts (in the pillory), Rich Kretsch and Ray Daugherty. Teachers in charge, Susan Campagna, John Estep, William Anderson and Toni Fisher, said they had "a super turnout" last Sunday and decided to cancel this Saturday's repeat performance rather than overdo a good thing.

## Two new ways to save taxes

If you're not covered by a qualified pension plan where you work, a new law lets you set aside up to \$1500 a year in a tax-deferred Individual Retirement Account (IRA).

If you're self-employed, you can put aside up to \$7500 a year in your own tax-deferred Keogh HR-10 retirement plan.

You don't pay federal income taxes on the funds set aside in these plans until you retire. But your plan must comply with the requirements of the new law.

## Emmons Ties Grass Lake In Volleyball

The Emmons volleyball team fought its way into a tie for first place with Grass Lake by beating the Braves, Thursday, 2 games to 1. After losing the opening game the Emmons team rallied to 15-10 and 15-11 wins.

In the second game, Grass Lake was unable to maintain any type of offensive effort of the Emmons' girls. Their scoring was limited to a maximum of 3 points on any one serve. The third game got off to a slow start for Emmons but a rally, led by the serving arm of Nancy Blanchette, brought Emmons from a 4 point deficit to a 6 point lead.

The victory over Grass Lake was aided by extra effort performances from Jean Cilik, Diane Grohs, and Shelly Del Peschio. Coaches said other team members putting in good performances were Laura Dubek, Denise Connelly, Debbie Duha, Cathy Miller, Jean Lindgren and Shelly Volling.

LAKE ZURICH STOPPED COLD -- Antioch's Rich Dauck (at right, with No. 64 on his helmet) nails a Lake Zurich ball-carrier in last Saturday's Homecoming victory here.

## Sequoits, Grant To Play for Title

Continued from page 1

on that. Coaches Nelson, Ted DeRousse and Steve Wapon have done an excellent job of getting their team ready. Like they did last week when they stopped a powerful Lake Zurich offense with a dangerous quarterback, an outstanding ball-carrier and some huge linemen.

The reason Grant is favored Friday night is because the Bulldogs have rolled over seven opponents by averaging 32 points a game while holding their rivals to an average of 6. Antioch, meanwhile, has averaged 19 points a game while holding its opponents to an average of 12.

But Antioch beat Wauconda and Cary-Grove just as decisively as Grant beat those

teams. The Sequoits have performed some amazing feats this season and, at this point, nobody questions their ability to rise to Friday night's occasion.

Against Lake Zurich, Antioch's persistent ground attack went 60 yards in 18 plays until Tim Sheppard cracked across from the two late in the second quarter. Wally Wallraf ran for the extra point and Antioch led 8-0.

JUST BEFORE the intermission, Antioch punted, Lake Zurich touched the ball, Dave Bogaerts grabbed it and ran 72 yards for what apparently gave Antioch a 14-0 lead. But the officials ruled that Lake Zurich never had possession and Bogaert's great dash was nullified. Otherwise, Lake Zurich might have been crushed

for the day.

But those big Bears, with the wind at their back, banged for two touchdowns in the third quarter and gained a 14-8 lead. IN THE fourth quarter Antioch got the wind at its back and charged to Lake Zurich's one, failing to score. Lake Zurich tried to get out of trouble, but fumbled a third-down pitchout, which was recovered by Antioch's Bob Ducato in the end zone. That tied it at 14-14. But, alas, Antioch's extra point try failed and the Sequoits needed

another score to win.

They got it. With two minutes remaining, Dave Moore's blockers opened a hole and the Antioch halfback ran four yards for the winning touchdown.

Lake Zurich tried to pass its way to victory in the last two minutes but Antioch's defense kept batting the ball out of play.

"Our whole defensive squad did a great job," said Coach Nelson.

Grant?

"They're rough," Nelson said. "They have fast backs like

Sherwin Savage and a quarterback, Kevin Kelly, who does everything well."

Kelly has thrown 12 touchdown passes this year. And the Grant defense has relinquished an average of only six points a game.

No, Grant hasn't met its match yet. But then Grant hasn't met this Antioch team that won't quit ... those guys named Bodin, Petty, Kakacek, Moore, McAvoy, Sheppard, Dauck, Bogaerts, Vos, Witt, Boarini, etc., etc., etc.

## Punt Pass & Kick Winners Honored

Eighteen future Antioch football stars were honored by Lyons-Ryan Ford Mercury after their fine performances in the 15th annual Ford Punt, Pass and Kick competition.

First place winners were Ricky Martin, Rory Hoehne, Tom Adams Jr., Tom Bailey, John Schmidt and Richard Smith. They advanced to district playoffs at McHenry.

Second place winners were Stephen Hovorka, Dan Berkiel, Brad Herbst, Derek Olsen, Brian O'Neill and Mike Ksioszk.

Third place awards went to Dean Barchard, Matt McGrain, John Humphreys, Jeff Berchtold, Dean Berkiel and Dave Frook.

The awards were presented in the Lyons-Ryan showroom and the winners and their guests were treated to ice cream and cake.

Plain living and high thinking are no more.

experiences. Mr. Mohrbacher does an excellent job describing the operation and uses of the helicopter.

He stressed that owning and flying a helicopter was a goal he set some time ago and, thus, students saw the results of the importance of setting goals.

"Schools have often been maligned for being out of step with contemporary life and in some instances this may be true. Having activities such as a helicopter landing on school premises and the pilot giving a short talk on helicopter operations goes a long way toward making school relevant," said Dr. Gene Paulausky, Grass Lake's new superintendent.

IF YOU happen to know an aspiring actor who is a dead ringer for young Abe Lincoln, you might tell him that the Illinois Department of Conservation is seeking a Lincoln "look-alike," and auditions are this month and next.

As part of the department's

Illinois Heritage Days, an actor portraying Lincoln will retrace the old Eighth Judicial circuit ride next September. The department will hire a talented Illinois actor to portray Lincoln. His selection will be based on an audition, his knowledge of Lincoln and his availability.

Anyone interested in an audition should write: Janet Pickett, Department of conservation, 400 S. Spring St., Springfield, 62706.

The best look-alike for Lincoln that Antioch has seen appeared a week and a half ago when Mayor Bob Wilton dressed up as "Honest Abe" for the Bicentennial Ball and the Bicentennial Designation Ceremony.

# Toft To Run Wilmot Races

The 1976 contract for stock car racing at Kenosha County Speedway in Wilmot has been signed between the Kenosha County Fair Association and Toft Auto Racing of Antioch.

The contract is for two years with a one year renewal option and marks the first time since 1965 that the Fair Association has signed with an individual rather than a driver-owner association.

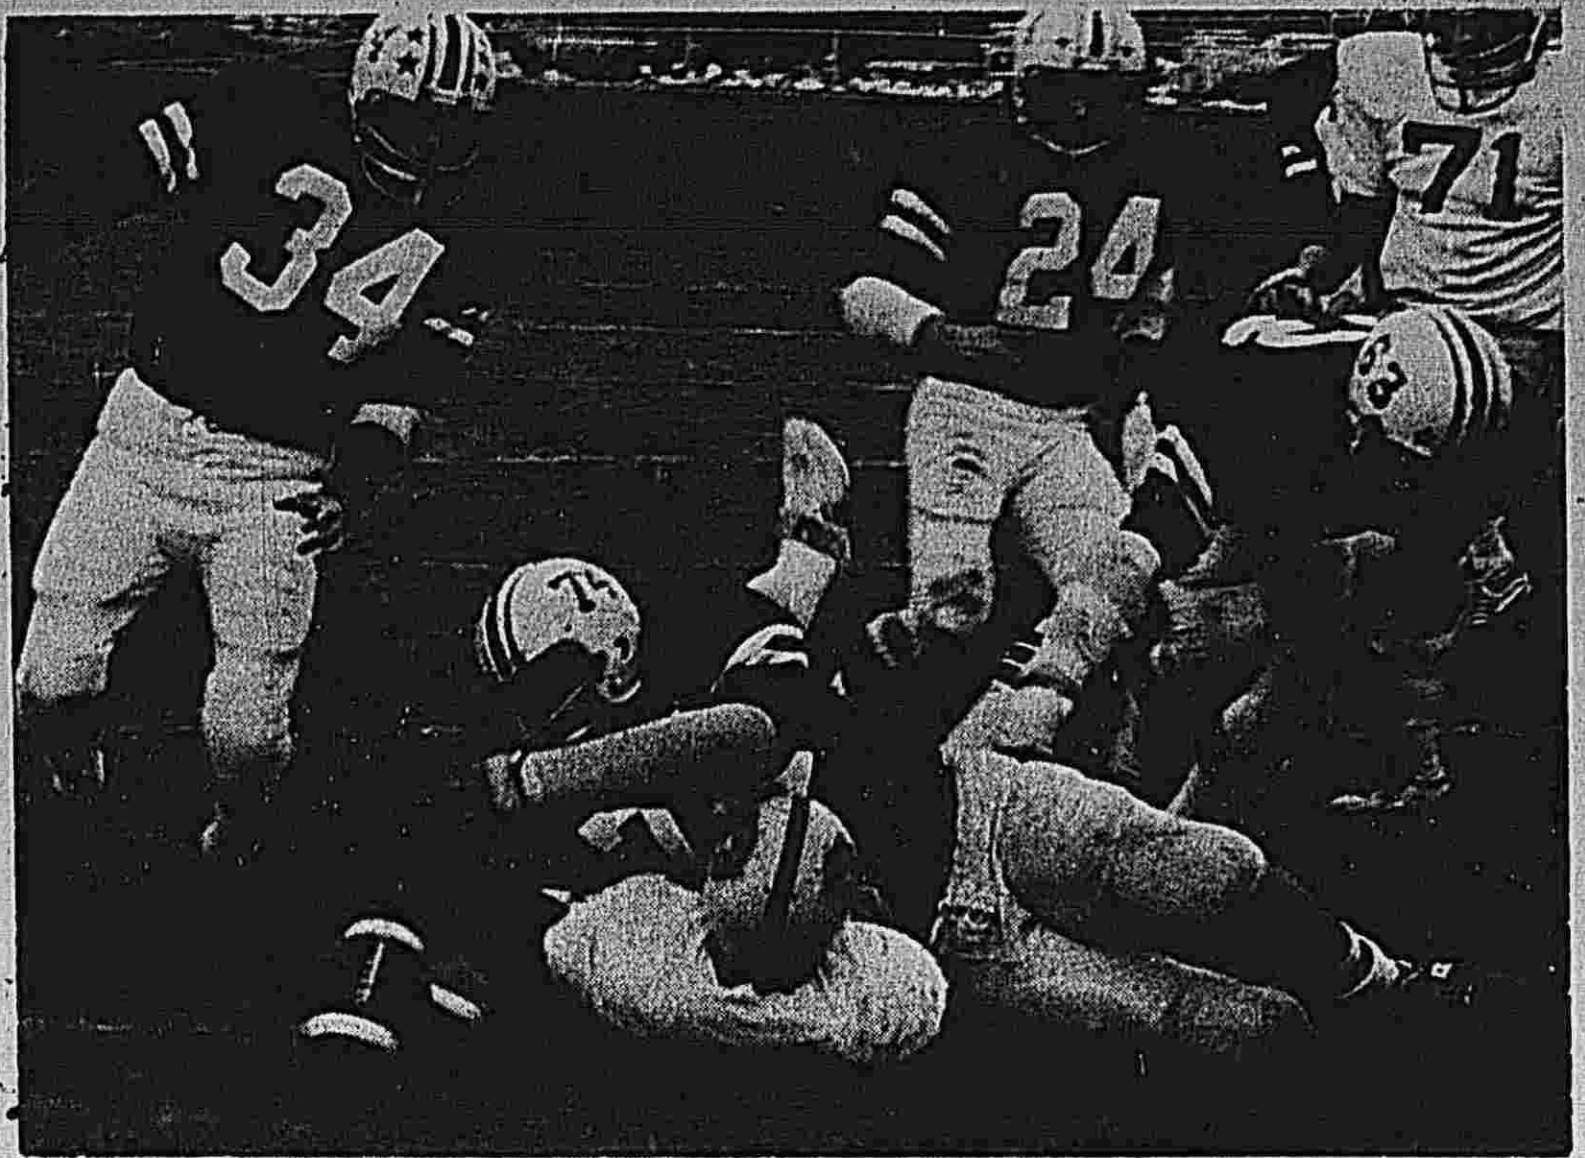

Ray Toft, president of Toft Auto Racing, has been associated with area stock car racing since 1958 and in that time has served as president, board member and manager for the driver-owner association of modified and sportsman cars while they operated at not only

Wilmot but at other tracks in Illinois and Wisconsin.

In early negotiations with the Fair Association, Toft proposed funding the cost of black topping the dirt race track but time ran out on that proposal. However, it is still a possibility for the 1977 or 1978 season, he said.

Toft Auto Racing operated the Lake Geneva Raceway in the season just ended. He has set Saturday, Apr. 17 for the 1976 opening date at Wilmot.

His plans are not yet decided on the operation of the Lake Geneva Raceway for the 1976 season but negotiations are underway and if concluded, he would present alternate race classes at each track, Toft said.

BOB DUCATO OF ANTIOCH flattens a Lake Zurich back, forces him to fumble and then recovers the ball in the end zone for the touchdown that tied the score at 14-14 last Saturday. No. 34 is Antioch's Tom McAvoy and No. 24 is Wally Wallraf. No. 63 (on his helmet) is Rich Coles.

## Sophomores Win Again

Antioch's sophomore football team got Saturday's Homecoming festivities off to a good start, beating Lake Zurich's sophs 14-0 in the preliminary game.

Antioch remains undefeated in conference play.

Coach Bruce Bartosc called last Saturday's game "a hard-fought battle. Lake Zurich was fired up to ruin the Homecoming party."

The weather also tried to ruin the game as winds gusted, preventing either team from passing effectively.

Antioch ran 43 plays for 159 yards and six first downs while holding its rivals to 68 yards in 37 plays, and five first downs.

Antioch's touchdowns were scored by Tim Huebner on a six-yard pass and Al Moore on a 33-yard run.

"Our defense once again was impressive," Bartosc said,

"They dropped Lake Zurich for losses 11 times, totaling 69 yards. Individuals deserving recognition are Neil Fossum on defense, along with Rick Motley and Al Roth.

Antioch's sophs travel to Grant Friday night and kickoff time is 6 o'clock. The varsity teams will play for the conference championship at 8 p.m.

Make sure the thermostat on your hot water heater is set for no higher than 140 degrees.

## Emmons Wins Conference Grid Crown

Emmons defeated a tough Grass Lake team 12-0 to take its second conference crown in as many years.

Emmons' first touchdown came in the closing moments of the first half when Gary Volling scored on a reverse from the 12 yard line. Outstanding running by Dan Johnson, Dave Berchtold and Bill Buckmaster set up the first score.

The second score came near the end of the game when quarterback Mike (Joe Willie) O'Brien connected with Kurt Selak on a 14 yard TD pass.

Emmons' defense, led by the front four of Jim Wilson, Jerry Drije, Ron Nauman and Kurt Sezak, held Grass Lake to less than 10 yards total offense. Linebackers Bill Buckmaster and Steve Sheedlo played excellent pass defense, coaches said.

Emmons finished with a 5-0 record, scoring 90 points in their five games while holding opponents to 7.

## Programs For Children

Programs in basketball, tumbling, and arts and crafts are being planned by Sue Koppa of the Antioch police department.

Mrs. Koppa said that basketball for 4th, 5th and 6th grade boys will begin Nov. 4 at Antioch and Grass Lake grade schools. Play will be on Tuesdays from 6:30 to 8 p.m.

through Jan. 27. Volleyball will follow in February and March.

Tumbling classes will be held for girls from the 4th through the 8th grade at Emmons school on Monday evenings, beginning Nov. 24, from 7 to 9 p.m.

Arts and Crafts will be for both boys and girls from the 4th through 8th grades at the Antioch Methodist Church on Monday evenings from 7 to 9 p.m. The first session was held last week and another is planned next Monday. There is a materials fee of \$1 per child.

## Energy Facts

Small appliances, such as egg cookers, electric skillets, popcorn poppers, toasters, etc., generally use a lot less electricity than a range or oven would.

### Tips For Safe Hunting

Hunting season is when insurance companies brace for claims because thousands of novice hunters take to the field.

According to James Taylor, of CNA Insurance's claims department—an avid hunter himself—the most common claims result from poor skill and aptitude (such as stumbling or falling with a weapon) and violating hunting rules and laws.

"Preparations should already be under way to help assure a safe hunting season," advises Taylor. He offers these tips to hunters:

- Have a thorough physical exam and do exercises for the legs, shoulders and arms. Know your physical limits.
- Complete an approved hunter safety course.
- Liquor lowers the body's temperature making you colder. Don't drink.
- Take a well-equipped first aid kit, compass and battery-operated radio on every trip.

"Are you sure you're well enough to go to the office this morning, dear?"

## OAKWOOD KNOLLS NEWS

# Halloween Parade Scheduled Oct. 31

By JEANNINE LEONHART

Plans are well underway for the 1975 Oakwood Knolls Halloween parade and costume judging. Chairman Rozanne Mazzio has worked hard in preparing for the annual event and promises everyone a good time.

The parade will be held Friday, Oct. 31, promptly at 4:30 p.m. Entrants are asked to meet at the corner of Oakwood and Maplewood Drives prior to the starting time for the procession down Oakwood Drive to our monument area.

Once at the monument area, costume judges George and Josie Olszewski, Howard and Loretta Schiffman and Clem and Mary Muresan will begin the difficult task of awarding prizes for the best costumed witches, spooks, goblins and fairy tale creatures.

First and second prizes will be awarded to costume winners in the following age groups: 1-3, 4-6, 7-9, 10-14. Halloween treats will be served to all participants following the judging.

An added feature to this year's parade will be a police escort, to assure the safety of the children and to aid motorists through the parade area.

Rozanne is asking all residents of the subdivision to volunteer cookies or cupcakes. Volunteers are requested to have their baked goods at Rozanne's house, 123 Lakewood, by Wednesday, Oct. 29. Anyone desiring additional information can contact Rozanne at 395-0302. Let's all get together for a really great parade and party.

THE OCTOBER meeting of the Property Owners Association will be held tonight (Oct. 22) at 8 p.m. at the State Bank of Antioch. Of prime importance will be a discussion, and question and answer session with the association attorney, James Magee, regarding our beach property and other legal questions. Members are urged to attend, as well as any residents of the subdivision. The discussion promises to be of vital interest to everyone.

Estelle Gatch and Jane Kish recently returned from a two week trip to Mexico where they attended the wedding of Estelle's granddaughter, Anna Marie Dauajare, in San Luis Potosi. Anna Marie is the daughter of Barbara Gatch and Francisco Dauajare. While in Mexico, they were joined by Barbara Hansen, a girlfriend of Anna Marie, who joined in the wedding festivities as a bridesmaid.

After the wedding, Estelle and Jane were shown the sights of Mexico City by Mrs. Dauajare and Estelle's other granddaughter, Debbie. Still another stop on the way home to Antioch was Acapulco, where our vagabonds enjoyed swimming in the ocean and sunbathing. A lovely trip to remember!

George and Chris Kellogg have returned from the week-end outing in Springmill and Brown County, Ind. This was a return trip for George who had been there as a boy and found it to be a lovely area to visit. The

fall foliage was "gorgeous" according to Chris and the weather lovely. They only regretted not having children, Kerry and Chad, as they found they did miss them, much more than they thought possible.

HAVE YOU noticed our new welcoming signs at the entrances to our subdivision? The Bicentennial look at the

redwood gates is quite lovely and I'm sure everyone is very proud of them.

Several new residents have joined our ranks as Oakwood Knolls homeowners. They include Mr. and Mrs. Quist, Mr. and Mrs. Tim Foley, Mr. and Mrs. Laurence Robare, Mr. and Mrs. Lewis LaBant, Jim and Sue Koppa, Alwin and Kathey

Eckmeyer, Frank and Valerie Sosnowski, and Les and Karyn Geist. We welcome all of you and hope you will be happy in your new homes.

Shelby Wais was the "victim" of a surprise baby shower last week hosted by Joanne Springer, Judy Moffatt, Tenza Jandula and Chris Kellogg. Guests for the evening (which Shelby thought was to be a Tupperware party) included Nancy Heine-mann, Chris Acken, Maxine Meyer, Sharon and Lucy Wantuk, Avon Cote, Vickie Beaufoy, Garnetta Schwank, Rev. Horton, Minerva Belluci and Reba Bradley, Shelby's mother.

Belated happy birthdays to

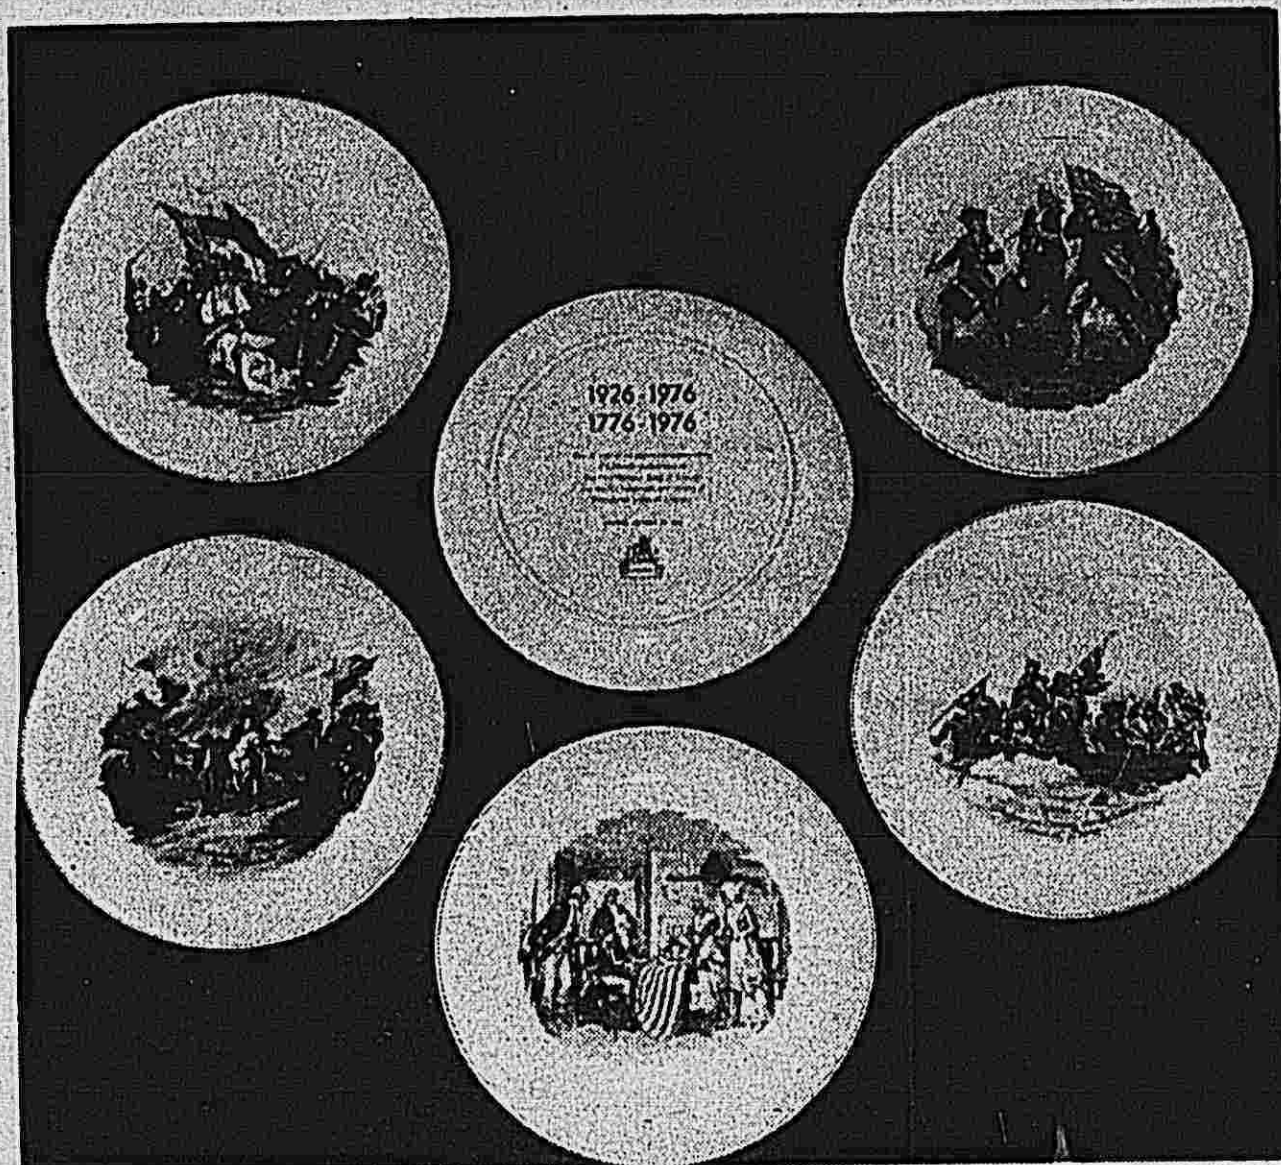

Howard Schiffman, Oct. 7, Joe Olszewski, also on the 7th, Frank Stroschein, Oct. 10, Terry Bryn, Oct. 8, Curt Denny, Oct. 4, Dale Frisch, Oct. 18, Chad Kellogg, Oct. 7, and Sherry Weber, Oct. 15.

Celebrating their birthdays this week are: Norma Lowe, Oct. 26, Glenn Hendrickson, Oct. 28, Bob Johnson, Oct. 25, and Barb Johnson, Oct. 29.

Wedding anniversary congratulations to Norma and Scotty Lowe on the 24th, Don and Dorothy Purfeerst on the 23rd, and belatedly to John and Sophie Jemilo on Oct. 11.

That's the news for this week, please be sure to attend tonight's Property Owners Association meeting.
